There is no reduced fee for partial participation if starting the season late. **One check per student, per season. Payments will NOT be carried over from one season to another if the athlete doesn't participate for any reason, including tryout situations.**
- o For activities, fees will be submitted to the group sponsor at the second meeting of the organization.

Fee Reimbursement: Any student who sustains a documented (applicable doctor's note) season-ending injury within the first seven days of the first WPIAL/PIAA recognized game or activity season, and the student decides to not stay with the team/activity within those seven days, he/she is eligible to have the fee reimbursed by the District.
