Booster President Remarks

- Disney went really well in spite of the rain at Magic Kingdom.
- Remember to fundraise to help pay for these trips. The band provides many fundraising opportunities to help pay for the trips, dues and other expenses that may come up.

Purse Bash - Shannon Lebak

- The Purse Bash was successful and a lot of the community came out to support us.
- We were able to raise just over \$5000.00 for the Marching Band.
- Thank you to Shannon and all those who worked the event to make it a success!
- This is something that we will most likely do again for this coming season.
- Shannon is open to feedback to better the event for next spring.
- There are some things left over that we will be able to use for our next Purse Bash.

Disney -

- Disney was fun and went smoothly. Even though there was rain on the parade day at Magic Kingdom, the kids were great sports and were able to march down Main Street and bring joy to the park.
- Thank you to all those who volunteered or helped in any way. Your help was vital to the success of the trip.
- We typically have a Disney trip every other year, but no promises.
- Show Choir gets to do a trip on the year in between. Mr. Fox will typically try to play a smaller trip on years when there is no Disney trip.

Elections for Board Positions

-We have numerous board positions that will be voted on during this meeting.

The open positions are - After Elections

2022 Marching Pride Season Updates
