Band Camp Food - Kristi Gunderson

We do our best to avoid nuts, but other allergies (such as dairy or gluten) cannot be accommodated. We expect students to know what is safe for them personally. Most days, we will not provide a vegetarian main entree option; however, we can supply fruit and salad every day. Students who wish to bring their own meal instead of eating the provided option are welcome to do so - a refrigerator is available, but a microwave is not. A small afternoon snack, such as string cheese or Gogurt will also be provided.

Although most food costs are covered, we cannot do this without your help! Donations are needed for band camp food. Please consider donating. No donation is too small.
